Corrigendum

Corrigendum to “Boron carbide-reinforced aluminium 1100 matrix composites: Fabrication and properties” [Mater. Sci. Eng. A 498(1–2) (2008) 42–52]

R.M. Mohanty^a, K. Balasubramanian^a, S.K. Seshadri^b

^a Non Ferrous Materials Technology Development Centre (NFTDC), Hyderabad 500058, India

^b Department of Metallurgical & Materials Engineering, Indian Institute of Technology Madras, Chennai 600036, India

The authors regret that the spelling of the word aluminium is incorrect in the title. The correct title of this article is Boron carbide-reinforced aluminium 1100 matrix composites: Fabrication and

properties.

The authors would like to apologise for any inconvenience caused.
