

## **Editorial**

I am very pleased to inform you that *International Journal of Spray and Combustion Dynamics* has been selected for coverage in the Web of Science (Thomson Reuter's products and services). Beginning with Volume 1, Issue 1, *IJSCD* will be indexed and abstracted in

- Science Citation Index Expanded (also known as SciSearch®)
- Journal Citation Reports/Science Edition
- Current Contents®/Engineering Computing and Technology

This development is a testimonial to our efforts to maintain the highest standards for the papers published in *IJSCD*. Credit for this success belongs to our editorial board, reviewers and most importantly to the authors.

*IJSCD* will continue to publish fundamental and applied research in all areas of spray and combustion dynamics.
